

# 3-STEP APPLICATION PROCESS

For more detailed information, please visit our website

[www.stemmarin.nusd.org](http://www.stemmarin.nusd.org)

**1** Complete the INTENT TO APPLY FORM on the STEM Marin website. You can find this form on the application page under the “Our Programs” tab.

**2** Complete and submit the in-person written application. Students currently attending NUSD middle schools will have the opportunity to complete the application during school hours on campus. Students who are at private schools or attend school outside of NUSD will be asked to come to the San Marin Campus to complete their application in person.

**3** Participate in the in-person interview on the San Marin High School campus on your assigned date/time

## WRITTEN APPLICATION & INTERVIEW INFORMATION

The written application and interview will give students the opportunity to share their interest in and commitment to STEM Marin. The application includes writing prompts for each student to respond to. These are short answer responses and will be scored based on content, not conventions of writing. The following 4-point rubric will be utilized. STEM Marin staff and community partners will assess the written and interview portions of the application.

*Answers questions with depth and examples make sense and are concise*

**SCORE OF 3**

*Answers questions with depth, but supporting evidence is minimal*

**SCORE OF 2**

*Brief answers without providing examples or depth*

**SCORE OF 1**

*Didn't answer the question at all*

**SCORE OF 0**
